MEMORANDUM FOR: Deputy Director for Administration

FROM : F. W. M. Janney
Director of Personnel

Jack:

1. In response to your memorandum of 8 June 1976 we have done some preliminary planning for an "Alumni Day" this year and offer the following for your consideration.

2. We propose that 25 September 1976 be designated as Alumni Day and believe this date would give us the time needed for preparation and would not conflict with this year's annual Agency ceremony, scheduled for 17 September.

STATINTL

3. As [REDACTED] indicates in his letter of 3 May 1976, the membership in his group has grown considerably since last year. Admittedly, all members are not former Agency employees, but it is conceivable that a sufficient number of Agency retirees would be available to necessitate an Alumni Day to accommodate just that group. We believe this would be inappropriate and would in all probability set a precedent for what could be an annual suggestion or requirement.

4. As an alternative, we suggest that Mr. Bush consider addressing the ARIO at its convention in Reston. We are certain Mr. Bush's attendance would be well received and if announced in advance would most certainly insure a sizeable turn-out. This course would afford us the opportunity to stage an Alumni Day for individuals who have not previously attended and in a much more orderly fashion.

5. Last year, as you may recall, we needed some cut-off date for extending invitations and used 30 June 1974 for this purpose. Since 1 July 1974 through 30 April 1976 we have had 895 employees retire. Recognizing that a number of retirees

do not live in the area and would not attend and that some would not be invited for reasons of cover, security, etc., we estimate we could still draw an audience of approximately 500.

6. In view of the above, it is recommended:

- a. 25 September 1976 be designated Alumni Day.
- b. You ascertain Mr. Bush's reaction to the proposal that he address the ARI0 in Reston.
- c. Individuals who retired during the period 1 July 1974 through 30 April 1976 be extended invitations for this year's Alumni Day.

Dear [REDACTED]

I received your letter of 3 May concerning the possibility of an "Alumni Day" on 18 September 1976. There are no plans in existence at the moment to schedule another Alumni Day but, based upon your letter, I will start to feel the waters. Interestingly enough, the existence of your Association, as well as others, does raise the question as to the continued need for an "Alumni Day".

There are one or two other intricacies in this matter which I believe might be worthwhile to discuss with you. After I have done a little talking on the point with a couple of my colleagues, I will give you a telephone call and we can talk it out a bit. Thanks for your interest and I trust things are going well for you.

1. During the tenure of William E. Colby as Director an Agency "Alumni Day" institution was established. The first of these was held on 11 May 1974 and the last presentation was on 26 April 1975.

2. The format of "Alumni Day" is extremely simple, and the reception of "Alumni Day" has been tremendous. The Director gave a current and unclassified "State of the Agency" address and then made himself available to answer questions. Following the auditorium session, various Agency facilities were open for view and, on two occasions, the cafeteria was open for lunch.

STATINTL

3. There is considerable work involved in sponsoring these programs, particularly in the sense of preparing the invitations. Because of the tremendous number of alumni we have restricted attendance to "selected classes", i.e., retirees from any two or three given years. We obviously have space constraints in the auditorium and the desire to attend is almost universal.

4. I believe you might wish to give consideration to continuing the "Alumni Day" institution and, if you view it favorably, I would suggest we plan it for late August or early September.

August 27, 1976

Dear Retiree:

Our Alumni Days have been received with such great enthusiasm and those attending seemed so genuinely pleased with the program that the Director has decided to hold another Alumni Day this year. This time the invitation list is limited to those who retired between 1 July 1974 and 30 April 1976.

The program we are planning for you is centered around remarks by the Director followed by a question and answer period, time permitting, with the Director and the ~~four~~ *four* Deputy Directors. This will take place in the auditorium on Saturday, 2 October 1976, from 0900 to 1200. The remaining time until 1500 will be informal and afford the opportunity to renew old acquaintances and once more "walk the halls" of the Headquarters Building.

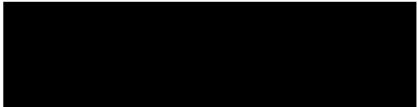

We are sorry that space limitations do not permit the inclusion of spouses unless, of course, they too are Agency annuitants who retired in the time frame indicated above. Also, personal expenses in connection with this Alumni Day will be borne by attendees.

In order to firm up plans we need an accurate count of those interested and would therefore appreciate a prompt acceptance. We hope that you will accept, but if that is not possible, your regret would be helpful. Those who are planning to attend will receive a second letter with more detailed information together with a gate pass.

Please complete and return the section below at your earliest convenience and mail it to us in the envelope provided.

ALUMNI DAY PARKING

On Saturday, 2 October 1976, the Agency will host an Alumni Day for a group of retired Agency employees. There will be a formal presentation in the Headquarters Auditorium on the morning of that day. As a courtesy to our retired employees, they will be allowed to park anywhere within the Headquarters Building compound. Consequently, there will be no reserved parking on 2 October 1976. Employees assigned reserved parking spaces who plan to use their spaces on 2 October 1976 are requested to arrive before 0830 hours or park in other than their assigned spaces. We appreciate your understanding and cooperation.
